ZNF703 antibody

RRID:AB_10721663

Type: Antibody

Proper Citation

GeneTex Cat# GTX89468, RRID:AB_10721663

Antibody Information

URL: http://antibodyregistry.org/AB_10721663

Proper Citation: GeneTex Cat# GTX89468, RRID:AB_10721663

Target Antigen: ZNF703 antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Preliminary experiments gave an approx 28-30kDa band in human breast lysates after 1µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the band we observe given the calculated size of 58.2kDa according to NP_079345.1. The 28-30kDa band was successfully blocked by incubation with the immunizing peptide. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? An additional band of approx 50kDa was consistently observed, however this band was not blocked by the immunizing peptide and it is therefore a non-specific signal. We call for caution when used for other assays than Western blot. ELISA.

Antibody Name: ZNF703 antibody

Description: This polyclonal targets ZNF703 antibody

Target Organism: canine, dog, human

Antibody ID: AB_10721663

Vendor: GeneTex

Catalog Number: GTX89468

Record Creation Time: 20250819T215930+0000

Ratings and Alerts

No rating or validation information has been found for ZNF703 antibody.

Warning: Discontinued at GeneTex
