Semaphorin 5A antibody

RRID:AB_10721775

Type: Antibody

Proper Citation

GeneTex Cat# GTX89289, RRID:AB_10721775

Antibody Information

URL: http://antibodyregistry.org/AB_10721775

Proper Citation: GeneTex Cat# GTX89289, RRID:AB_10721775

Target Antigen: Semaphorin 5A antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: Preliminary experiments gave an approx 90kDa in Mouse Brain lysates and approx 25kDa band in Human Brain (Cerebellum), Colon, Heart and Kidney lysates after 0.03µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the bands we observe given the calculated size of 121kDa according to NP_003957.1. The 90kDa and 25kDa band were successfully blocked by incubation with the immunizing peptide. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? ELISA.; ELISA

Antibody Name: Semaphorin 5A antibody

Description: This polyclonal targets Semaphorin 5A antibody

Target Organism: rat, canine, mouse, dog, human

Antibody ID: AB_10721775

Vendor: GeneTex

Catalog Number: GTX89289

Record Creation Time: 20231110T065848+0000

Record Last Update: 20260829T070305+0000

Ratings and Alerts

No rating or validation information has been found for Semaphorin 5A antibody.

Warning: Discontinued at GeneTex
