ALS2CR2 / ILPIP antibody

RRID:AB_10721982

Type: Antibody

Proper Citation

GeneTex Cat# GTX89850, RRID:AB_10721982

Antibody Information

URL: http://antibodyregistry.org/AB_10721982

Proper Citation: GeneTex Cat# GTX89850, RRID:AB_10721982

Target Antigen: ALS2CR2 / ILPIP antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: Immunohistochemistry; ELISA; Western Blot; ELISA, Immunohistochemistry, Western Blot. Approx 35kDa band observed in Human Heart, Liver and Muscle lysates (calculated MW of 47.0kDa according to NP_061041.2 (alpha isoform) and 31.2kDa according to AAF71042.1(beta isoform). In transfected HEK293 transiently expressing ILPIP a band of approx. 48kDa is observed. This band is not observed in the non-transfected HEK293. Recommended concentration 1-3µg/ml. Immunohistochemistry: In paraffin embedded Human Heart shows staining of myocardial fibres in transverse section. Recommended concentration, 3-5µg/ml. This is expected to recognise both human isoforms: ILPIP-alpha (NP_061041.2) and ILPIP-beta (AAF71042.1).

Antibody Name: ALS2CR2 / ILPIP antibody

Description: This polyclonal targets ALS2CR2 / ILPIP antibody

Target Organism: canine, cow, bovine, dog, human

Antibody ID: AB_10721982

Vendor: GeneTex

Catalog Number: GTX89850

Record Creation Time: 20250819T221545+0000

Ratings and Alerts

No rating or validation information has been found for ALS2CR2 / ILPIP antibody.

Warning: Discontinued at GeneTex

Discontinued; manufacturer recommendations: Immunohistochemistry; ELISA; Western Blot; ELISA, Immunohistochemistry, Western Blot.
