PICT1 / GLTSCR2 antibody

RRID:AB_10722159

Type: Antibody

Proper Citation

GeneTex Cat# GTX89121, RRID:AB_10722159

Antibody Information

URL: http://antibodyregistry.org/AB_10722159

Proper Citation: GeneTex Cat# GTX89121, RRID:AB_10722159

Target Antigen: PICT1 / GLTSCR2 antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Preliminary experiments gave an approx 16-18kDa band in human heart, liver and breast cancer lysates after 0.2µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the band we observe given the calculated size of 54.4kDa according to NP_056525.1. The 16-18kDa band was successfully blocked by incubation with the immunizing peptide. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? This antibody is expected to recognise a sequence corresponding to aa 38-51 of human PICT1 protein. ELISA.

Antibody Name: PICT1 / GLTSCR2 antibody

Description: This polyclonal targets PICT1 / GLTSCR2 antibody

Target Organism: rat, canine, cow, mouse, bovine, dog, human

Antibody ID: AB_10722159

Vendor: GeneTex

Catalog Number: GTX89121

Record Creation Time: 20250819T213007+0000

Record Last Update: 20250819T230947+0000

Ratings and Alerts

No rating or validation information has been found for PICT1 / GLTSCR2 antibody.

Warning: Discontinued at GeneTex
