Prealbumin / Transthyretin antibody

RRID:AB_10722392

Type: Antibody

Proper Citation

GeneTex Cat# GTX89324, RRID:AB_10722392

Antibody Information

URL: http://antibodyregistry.org/AB_10722392

Proper Citation: GeneTex Cat# GTX89324, RRID:AB_10722392

Target Antigen: Prealbumin / Transthyretin antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Preliminary experiments gave an approx 20-22kDa band in Human Heart, Kidney, Liver, Lung, Placenta and Testis lysates after 1µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the band we observe given the calculated size of 15.9kDa according to NP_000362.1. The 20-22kDa band was successfully blocked by incubation with the immunizing peptide. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? ELISA.

Antibody Name: Prealbumin / Transthyretin antibody

Description: This polyclonal targets Prealbumin / Transthyretin antibody

Target Organism: rat, canine, mouse, dog, human

Antibody ID: AB_10722392

Vendor: GeneTex

Catalog Number: GTX89324

Record Creation Time: 20250820T005555+0000

Record Last Update: 20250820T093505+0000

Ratings and Alerts

No rating or validation information has been found for Prealbumin / Transthyretin antibody.

Warning: Discontinued at GeneTex
