VPS41 antibody

RRID:AB_10722521

Type: Antibody

Proper Citation

GeneTex Cat# GTX89439, RRID:AB_10722521

Antibody Information

URL: http://antibodyregistry.org/AB_10722521

Proper Citation: GeneTex Cat# GTX89439, RRID:AB_10722521

Target Antigen: VPS41 antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Preliminary experiments gave bands at approx 48kDa and 28kDa in human duodenum, kidney and placenta lysates after 1µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the bands we observe given the calculated size of 98.5kDa according to NP_055211.1 and 100kDa according to NP_542198.1. Both detected bands were successfully blocked by incubation with the immunizing peptide (and BLAST results with the immunizing peptide sequence did not identify any other proteins to explain the additional bands). We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported This antibody is expected to recognise both rep

Antibody Name: VPS41 antibody

Description: This polyclonal targets VPS41 antibody

Target Organism: rat, canine, cow, mouse, bovine, dog, human

Antibody ID: AB_10722521

Vendor: GeneTex

Catalog Number: GTX89439

Record Creation Time: 20231110T065842+0000

Ratings and Alerts

No rating or validation information has been found for VPS41 antibody.

Warning: Discontinued at GeneTex
