NUP62 antibody

RRID:AB_10723052

Type: Antibody

Proper Citation

GeneTex Cat# GTX89191, RRID:AB_10723052

Antibody Information

URL: http://antibodyregistry.org/AB_10723052

Proper Citation: GeneTex Cat# GTX89191, RRID:AB_10723052

Target Antigen: NUP62 antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Preliminary experiments gave an approx 30kDa band in Human Testis lysates after 0.5µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the band we observe given the calculated size of 53.3kDa according to NP_036478.2, NP_057637.2, NP_714940.1 and NP_714941.1. The 30kDa band was successfully blocked by incubation with the immunizing peptide. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? All four variants represent identical protein. ELISA.

Antibody Name: NUP62 antibody

Description: This polyclonal targets NUP62 antibody

Target Organism: canine, cow, bovine, dog, human

Antibody ID: AB_10723052

Vendor: GeneTex

Catalog Number: GTX89191

Record Creation Time: 20250819T221724+0000

Record Last Update: 20250820T014304+0000

Ratings and Alerts

No rating or validation information has been found for NUP62 antibody.

Warning: Discontinued at GeneTex
