ADRA2A antibody

RRID:AB_10723250

Type: Antibody

Proper Citation

GeneTex Cat# GTX89396, RRID:AB_10723250

Antibody Information

URL: http://antibodyregistry.org/AB_10723250

Proper Citation: GeneTex Cat# GTX89396, RRID:AB_10723250

Target Antigen: ADRA2A antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA, Immunocytochemistry, Immunofluorescence. Preliminary experiments gave a band at approx 37kDa and a minor band at approx 23kDa in Human Brain lysates after 1µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the bands we observe given the calculated size of 49.0kDa according to NP_000672.2. Both detected bands were successfully blocked by incubation with the immunizing peptide (and BLAST results with the immunizing peptide sequence did not identify any other proteins to explain the additional bands). We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported?; ELISA; Immunocytochemistry; Immunofluo

Antibody Name: ADRA2A antibody

Description: This polyclonal targets ADRA2A antibody

Target Organism: rat, canine, mouse, dog, human

Antibody ID: AB_10723250

Vendor: GeneTex

Catalog Number: GTX89396

Record Creation Time: 20250819T212655+0000

Record Last Update: 20250819T225910+0000

Ratings and Alerts

No rating or validation information has been found for ADRA2A antibody.

Warning: Discontinued at GeneTex
