USP28 antibody

RRID:AB_10725516

Type: Antibody

Proper Citation

GeneTex Cat# GTX88638, RRID:AB_10725516

Antibody Information

URL: http://antibodyregistry.org/AB_10725516

Proper Citation: GeneTex Cat# GTX88638, RRID:AB_10725516

Target Antigen: USP28 antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Preliminary experiments gave bands at approx 150kDa and 50kDa in Human Bone Marrow lysates after 0.2µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the bands we observe given the calculated size of 122kDa according to NP_065937.1. Both detected bands were successfully blocked by incubation with the immunizing peptide (and BLAST results with the immunizing peptide sequence did not identify any other proteins to explain the additional bands). We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? ELISA.

Antibody Name: USP28 antibody

Description: This polyclonal targets USP28 antibody

Target Organism: cow, bovine, human

Antibody ID: AB_10725516

Vendor: GeneTex

Catalog Number: GTX88638

Record Creation Time: 20250819T234846+0000

Ratings and Alerts

No rating or validation information has been found for USP28 antibody.

Warning: Discontinued at GeneTex
