PIAS2 antibody

RRID:AB_10726367

Type: Antibody

Proper Citation

GeneTex Cat# GTX89083, RRID:AB_10726367

Antibody Information

URL: http://antibodyregistry.org/AB_10726367

Proper Citation: GeneTex Cat# GTX89083, RRID:AB_10726367

Target Antigen: PIAS2 antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: Immunohistochemistry; ELISA; Preliminary experiments gave an approx 90kDa band in lysates of cell line A431 after 0.5µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the band we observe given the calculated size of 68.2kDa according to NP_004662.2. The 90kDa band was successfully blocked by incubation with the immunizing peptide. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? In paraffin embedded Human Testis shows nuclear and extra-nuclear staining in spermatids. Recommended concentration, 3-5µg/ml. This antibody is expected to recognise both reported isoforms (NP_775298.1 and NP_004662).

Antibody Name: PIAS2 antibody

Description: This polyclonal targets PIAS2 antibody

Target Organism: rat, canine, mouse, dog, human

Antibody ID: AB_10726367

Vendor: GeneTex

Catalog Number: GTX89083

Record Creation Time: 20231110T065820+0000

Record Last Update: 20260829T032509+0000

Ratings and Alerts

No rating or validation information has been found for PIAS2 antibody.

Warning: Discontinued at GeneTex
