MRG15 / MORF4L1 antibody

RRID:AB_10731863

Type: Antibody

Proper Citation

GeneTex Cat# GTX89736, RRID:AB_10731863

Antibody Information

URL: http://antibodyregistry.org/AB_10731863

Proper Citation: GeneTex Cat# GTX89736, RRID:AB_10731863

Target Antigen: MRG15 / MORF4L1 antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Immunohistochemistry; Preliminary experiments gave an approx 40kDa band in Human Liver lysates and an approx 100kDa band in Human Heart lysates at 1ug/ml. Please note that currently we cannot find an explanation in the literature for the bands we observe given the calculated size of 37.2kDda according to NP_006782.1. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? Immunohistochemistry: In paraffin embedded Human Uterus shows nuclear staining in the epithelial cells of the endometrial glands. Recommended concentration, 2-4µg/ml. This antibody is expected to recognise both reported isoforms. ELISA, Immunohistochemistry.

Antibody Name: MRG15 / MORF4L1 antibody

Description: This polyclonal targets MRG15 / MORF4L1 antibody

Target Organism: rat, porcine, cow, pig, mouse, bovine, human

Antibody ID: AB_10731863

Vendor: GeneTex

Catalog Number: GTX89736

Record Creation Time: 20250819T220313+0000

Ratings and Alerts

No rating or validation information has been found for MRG15 / MORF4L1 antibody.

Warning: Discontinued at GeneTex
