Bcl 7A antibody

RRID:AB_368417

Type: Antibody

Proper Citation

GeneTex Cat# GTX21075, RRID:AB_368417

Antibody Information

URL: http://antibodyregistry.org/AB_368417

Proper Citation: GeneTex Cat# GTX21075, RRID:AB_368417

Target Antigen: Bcl 7A antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: IgG; IgG Other; Western Blot; Western Blot - Approx 35kDa band seen in HeLa cell lysates. Recommended for use at 0.5-2µg/ml. Please note that BCL7A, according to NP_066273, has several consensus glycosylation sites. Glycosylation can affect migration of proteins on SDS-PAGE [Hames, B.D and Rickwood, D., eds. Gel electrophoresis of proteins: a practical approach. Oxford University Press]. This may be the reason why we see an approx 35kDa band rather than the predicted 26kDa band. Western Blot.

Antibody Name: Bcl 7A antibody

Description: This polyclonal targets Bcl 7A antibody

Target Organism: human

Antibody ID: AB_368417

Vendor: GeneTex

Catalog Number: GTX21075

Record Creation Time: 20250820T045233+0000

Record Last Update: 20250820T201024+0000

Ratings and Alerts

No rating or validation information has been found for Bcl 7A antibody.

Warning: Discontinued at GeneTex

Discontinued; manufacturer recommendations: IgG; IgG Other; Western Blot; Western Blot - Approx 35kDa band seen in HeLa cell lysates. Recommended for use at 0.5-2µg/ml.
