Collagen V [1E2] antibody

RRID:AB_625371

Type: Antibody

Proper Citation

GeneTex Cat# GTX56382, RRID:AB_625371

Antibody Information

URL: http://antibodyregistry.org/AB_625371

Proper Citation: GeneTex Cat# GTX56382, RRID:AB_625371

Target Antigen: Collagen V [1E2] antibody

Host Organism: mouse

Clonality: monoclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Immunohistochemistry - frozen; Immunohistochemistry; Western Blot; ELISA, IHC (Frozen sections), Western blot. The usefulness of this product in other applications has not been determined., ELISA, IHC-Fr, WB, Recommended dilutions: ELISA: 1/50. This antibody binds poorly to Collagen V when tested in ELISA with Collagen V coated directly onto the microtiter well. IHC-Fr: Use at an assay dependent dilution. If it is necessary to fix the tissue prior to IHC the use of acetone or ethanol is recommended. WB: Use at an assay dependent dilution. Predicted molecular weight: 180 kDa. Not yet tested in other applications. Optimal dilutions/concentrations should be determined by the end user.

Antibody Name: Collagen V [1E2] antibody

Description: This monoclonal targets Collagen V [1E2] antibody

Target Organism: guinea pig, rat, kangaroo and sheep. does not react with mouse, porcine, canine, reacts with cow, other species not tested, chicken/bird, pig, chicken or guinea pig, other mammalian, bovine, human, dog, sheep

Antibody ID: AB_625371

Vendor: GeneTex

Catalog Number: GTX56382

Record Creation Time: 20250820T052328+0000

Record Last Update: 20250820T212751+0000

Ratings and Alerts

No rating or validation information has been found for Collagen V [1E2] antibody.

Warning: Discontinued at GeneTex
