Gabpb2 (mouse) antibody

RRID:AB_10721568

Type: Antibody

Proper Citation

GeneTex Cat# GTX89075, RRID:AB_10721568

Antibody Information

URL: http://antibodyregistry.org/AB_10721568

Proper Citation: GeneTex Cat# GTX89075, RRID:AB_10721568

Target Antigen: Gabpb2 (mouse) antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Preliminary experiments gave an approx 35kDa band in Rat Kidney lysates after 1µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the band we observe given the calculated size of 45.7kDa according to NP_766100.1 and NP_084161.1. The 35kDa band was successfully blocked by incubation with the immunizing peptide. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? This antibody is expected to recognise both reported isoforms (NP_766100.1; NP_084161.1). ELISA.

Antibody Name: Gabpb2 (mouse) antibody

Description: This polyclonal targets Gabpb2 (mouse) antibody

Target Organism: rat, mouse

Antibody ID: AB_10721568

Vendor: GeneTex

Catalog Number: GTX89075

Record Creation Time: 20231110T065850+0000

Record Last Update: 20260829T023229+0000

Ratings and Alerts

No rating or validation information has been found for Gabpb2 (mouse) antibody.

Warning: Discontinued at GeneTex
