SEMA3E antibody

RRID:AB_10722735

Type: Antibody

Proper Citation

GeneTex Cat# GTX89609, RRID:AB_10722735

Antibody Information

URL: http://antibodyregistry.org/AB_10722735

Proper Citation: GeneTex Cat# GTX89609, RRID:AB_10722735

Target Antigen: SEMA3E antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Immunohistochemistry; Preliminary experiments gave bands at approx 35kDa and 20kDa in Human Prostate lysates after 0.1µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the bands we observe given the calculated size of 89.2kDa according to NP_036563.1. Both detected bands were successfully blocked by incubation with the immunizing peptide (and BLAST results with the immunizing peptide sequence did not identify any other proteins to explain the additional bands). We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? In paraffin embedded Human Adrenal Medulla shows granular cytoplasmic staining i

Antibody Name: SEMA3E antibody

Description: This polyclonal targets SEMA3E antibody

Target Organism: human

Antibody ID: AB_10722735

Vendor: GeneTex

Catalog Number: GTX89609

Record Creation Time: 20231110T065841+0000

Record Last Update: 20260829T192827+0000

Ratings and Alerts

No rating or validation information has been found for SEMA3E antibody.

Warning: Discontinued at GeneTex
