Hyaluronidase 1 antibody

RRID:AB_10724507

Type: Antibody

Proper Citation

GeneTex Cat# GTX89001, RRID:AB_10724507

Antibody Information

URL: http://antibodyregistry.org/AB_10724507

Proper Citation: GeneTex Cat# GTX89001, RRID:AB_10724507

Target Antigen: Hyaluronidase 1 antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; ELISA. Preliminary experiments gave an approx 35kDa band in Human Brain (Cerebellum, Frontal Cortex) lysates after 0.1µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the band we observe given the calculated size of 48.4kDa according to isoform 1 (NP_009296.1, NP_149349.2, NP_695013.1), 27.9kDa according to isoform 3 (NP_695015.1) and 19.4kDa according to isoform 5 (NP_695017.1). The 35kDa band was successfully blocked by incubation with the immunizing peptide. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? This antibody is expected to recognise isoform 1 (NP_009296.1, NP_149349.2,

Antibody Name: Hyaluronidase 1 antibody

Description: This polyclonal targets Hyaluronidase 1 antibody

Target Organism: canine, dog, human

Antibody ID: AB_10724507

Vendor: GeneTex

Catalog Number: GTX89001

Record Creation Time: 20250819T231454+0000

Ratings and Alerts

No rating or validation information has been found for Hyaluronidase 1 antibody.

Warning: Discontinued at GeneTex
