Rhophilin 2 (Internal) antibody

RRID:AB_10724617

Type: Antibody

Proper Citation

GeneTex Cat# GTX89485, RRID:AB_10724617

Antibody Information

URL: http://antibodyregistry.org/AB_10724617

Proper Citation: GeneTex Cat# GTX89485, RRID:AB_10724617

Target Antigen: Rhophilin 2 (Internal) antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; ELISA. Preliminary experiments gave an approx 35kDa band in Human Pancreas and Prostate lysates after 0.3µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the band we observe given the calculated size of 77kDa according to NP_149094.2. The 35kDa band was successfully blocked by incubation with the immunizing peptide. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported?

Antibody Name: Rhophilin 2 (Internal) antibody

Description: This polyclonal targets Rhophilin 2 (Internal) antibody

Target Organism: rat, cow, mouse, bovine, human

Antibody ID: AB_10724617

Vendor: GeneTex

Catalog Number: GTX89485

Record Creation Time: 20250819T231454+0000

Record Last Update: 20250820T044502+0000

Ratings and Alerts

No rating or validation information has been found for Rhophilin 2 (Internal) antibody.

Warning: Discontinued at GeneTex
