Robo1 / DUTT1 (mouse) antibody

RRID:AB_10724707

Type: Antibody

Proper Citation

GeneTex Cat# GTX89225, RRID:AB_10724707

Antibody Information

URL: http://antibodyregistry.org/AB_10724707

Proper Citation: GeneTex Cat# GTX89225, RRID:AB_10724707

Target Antigen: Robo1 / DUTT1 (mouse) antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Preliminary experiments gave bands at approx 80kDa and 40kDa in lysates of Mouse Brain and Rat Brain after 0.03µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the bands we observe given the calculated size of 176kDa according to NP_062286.1. Both detected bands were successfully blocked by incubation with the immunizing peptide (and BLAST results with the immunizing peptide sequence did not identify any other proteins to explain the additional bands). We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? ELISA.

Antibody Name: Robo1 / DUTT1 (mouse) antibody

Description: This polyclonal targets Robo1 / DUTT1 (mouse) antibody

Target Organism: rat, canine, mouse, dog

Antibody ID: AB_10724707

Vendor: GeneTex

Catalog Number: GTX89225

Record Creation Time: 20250819T213355+0000

Ratings and Alerts

No rating or validation information has been found for Robo1 / DUTT1 (mouse) antibody.

Warning: Discontinued at GeneTex
