GGA3 antibody

RRID:AB_10724902

Type: Antibody

Proper Citation

GeneTex Cat# GTX89441, RRID:AB_10724902

Antibody Information

URL: http://antibodyregistry.org/AB_10724902

Proper Citation: GeneTex Cat# GTX89441, RRID:AB_10724902

Target Antigen: GGA3 antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Preliminary experiments gave an approx 45kDa band in human kidney, lung and placenta lysates after 1µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the band we observe given the calculated size of 78.3kDa according to NP_619525.1 and 74.5kDa according to NP_054720.1. The 45kDa band was successfully blocked by incubation with the immunizing peptide. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? This antibody is expected to recognise both reported isoforms (NP_619525 and NP_054720) ELISA.

Antibody Name: GGA3 antibody

Description: This polyclonal targets GGA3 antibody

Target Organism: rat, canine, mouse, dog, human

Antibody ID: AB_10724902

Vendor: GeneTex

Catalog Number: GTX89441

Record Creation Time: 20250819T215316+0000

Record Last Update: 20250820T002513+0000

Ratings and Alerts

No rating or validation information has been found for GGA3 antibody.

Warning: Discontinued at GeneTex
