AGRP / Agouti-related protein antibody

RRID:AB_10725159

Type: Antibody

Proper Citation

GeneTex Cat# GTX89559, RRID:AB_10725159

Antibody Information

URL: http://antibodyregistry.org/AB_10725159

Proper Citation: GeneTex Cat# GTX89559, RRID:AB_10725159

Target Antigen: AGRP / Agouti-related protein antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Preliminary experiments gave bands at approx 45kDa and 24kDa in Human Brain lysates after 0.1µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the bands we observe given the calculated size of 14.4kDa according to NP_001129.1 and NP_015531.1. Both detected bands were successfully blocked by incubation with the immunizing peptide (and BLAST results with the immunizing peptide sequence did not identify any other proteins to explain the additional bands). We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? This antibody is expected to recognise both reported isoforms (as represented by NP_00112

Antibody Name: AGRP / Agouti-related protein antibody

Description: This polyclonal targets AGRP / Agouti-related protein antibody

Target Organism: porcine, canine, pig, dog, human

Antibody ID: AB_10725159

Vendor: GeneTex

Catalog Number: GTX89559

Record Creation Time: 20250820T000610+0000

Record Last Update: 20250820T072237+0000

Ratings and Alerts

No rating or validation information has been found for AGRP / Agouti-related protein antibody.

Warning: Discontinued at GeneTex
