Anti-Integrin beta3 Antibody, Unconjugated

RRID:AB_2296320

Type: Antibody

Proper Citation

Cell Signaling Technology Cat# 4702, RRID:AB_2296320

Antibody Information

URL: http://antibodyregistry.org/AB_2296320

Proper Citation: Cell Signaling Technology Cat# 4702, RRID:AB_2296320

Target Antigen: Synthetic peptides corresponding to mouse and human integrin beta 3

Host Organism: rabbit

Clonality: unknown

Comments: Applications: W. Consolidation on 11/2018: AB_10695305, AB_10829231, AB_2296320. Info: Used By NYUIHC-523.

Info: Independent validation by the NYU Lagone was performed for: IHC. This antibody was found to have the following characteristics: Functional in human:FALSE, NonFunctional in human:TRUE, Functional in animal:FALSE, NonFunctional in animal:FALSE

Antibody Name: Anti-Integrin beta3 Antibody, Unconjugated

Description: This unknown targets Synthetic peptides corresponding to mouse and human integrin beta 3

Target Organism: rat, mouse, human

Antibody ID: AB_2296320

Vendor: Cell Signaling Technology

Catalog Number: 4702

Record Creation Time: 20250820T065915+0000

Record Last Update: 20250821T012143+0000

Ratings and Alerts

- Independent validation by the NYU Lagone was performed for: IHC. This antibody was found to have the following characteristics: Functional in human:FALSE, NonFunctional in human:TRUE, Functional in animal:FALSE, NonFunctional in animal:FALSE - NYU Langone's Center for Biospecimen Research and Development <https://med.nyu.edu/research/scientific-cores-shared-resources/center-biospecimen-research-development>

No alerts have been found for Anti-Integrin beta3 Antibody, Unconjugated.
