MMP1 antibody

RRID:AB_369588

Type: Antibody

Proper Citation

GeneTex Cat# GTX11595, RRID:AB_369588

Antibody Information

URL: http://antibodyregistry.org/AB_369588

Proper Citation: GeneTex Cat# GTX11595, RRID:AB_369588

Target Antigen: MMP1 antibody

Host Organism: rabbit

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: IgG; IgG Western Blot; WB: Use at a dilution of 1/1000. Detects two bands of approximately 53 & 51 kDa. By immunoblotting against the reduced protein, the antibody reacts with bands at 53 kDa and 51 kDa (the pro-form). It does not react as well with nonreduced MMP1. The antibody recognizes the latent forms of MMP1. Although the sequence homology for the propeptide region of MMP1 is well conserved, higher antibody concentrations may be necessary for non-human samples. Not tested in other applications. Optimal dilutions/concentrations should be determined by the end user. Western Blot.

Antibody Name: MMP1 antibody

Description: This polyclonal targets MMP1 antibody

Target Organism: human

Antibody ID: AB_369588

Vendor: GeneTex

Catalog Number: GTX11595

Record Creation Time: 20231110T081231+0000

Record Last Update: 20260901T034316+0000

Ratings and Alerts

No rating or validation information has been found for MMP1 antibody.

Warning: Discontinued at GeneTex
