Acetylcholinesterase antibody [ZR3]

RRID:AB_384859

Type: Antibody

Proper Citation

GeneTex Cat# GTX22802, RRID:AB_384859

Antibody Information

URL: http://antibodyregistry.org/AB_384859

Proper Citation: GeneTex Cat# GTX22802, RRID:AB_384859

Target Antigen: Acetylcholinesterase antibody [ZR3]

Host Organism: mouse

Clonality: monoclonal

Comments: Discontinued; manufacturer recommendations: IgG2; IgG2 Immunohistochemistry; Immunoprecipitation; Western Blot; Immunohistochemistry, Immunoprecipitation. The usefulness of this product in other applications has not been determined., IHC, IP, For IHC: use at a dilution of 1/1000 For IP: Assay dependent. Not tested in other applications. Optimal dilutions / concentrations should be determined by the end user. This antibody cannot be used in Western blot to detect AChE. Immunohistochemical staining of Ach in rat brain results in staining of nerve fibers and terminals. This antibody reacts with both the soluble and membrane-associated AChE.

Antibody Name: Acetylcholinesterase antibody [ZR3]

Description: This monoclonal targets Acetylcholinesterase antibody [ZR3]

Target Organism: feline, rat, porcine, cat, rabbit

Antibody ID: AB_384859

Vendor: GeneTex

Catalog Number: GTX22802

Record Creation Time: 20250820T061439+0000

Record Last Update: 20250820T233713+0000

Ratings and Alerts

No rating or validation information has been found for Acetylcholinesterase antibody [ZR3].

Warning: Discontinued at GeneTex

Discontinued; manufacturer recommendations: IgG2; IgG2 Immunohistochemistry; Immunoprecipitation; Western Blot; Immunohistochemistry, Immunoprecipitation.
