362 pCS Cherry DEST

RRID:Addgene_13075

Type: Plasmid

Proper Citation

RRID:Addgene_13075

Plasmid Information

URL: <http://www.addgene.org/13075>

Proper Citation: RRID:Addgene_13075

Insert Name: Cherry

Bacterial Resistance: Chloramphenicol and Ampicillin

Defining Citation: [PMID:17948311](#)

Vector Backbone Description: Backbone Size:5778; Vector Backbone:na; Vector Types;; Bacterial Resistance:Chloramphenicol and Ampicillin

Comments: There is a H30R mutation in mCherry. This mutation does not affect plasmid function and the construct has been validated for expression.

Plasmid Name: 362 pCS Cherry DEST

Record Creation Time: 20220422T221726+0000

Record Last Update: 20260815T080511+0000

Ratings and Alerts

No rating or validation information has been found for 362 pCS Cherry DEST.

No alerts have been found for 362 pCS Cherry DEST.

Data and Source Information
