M7 pdnPKA-GFP

RRID:Addgene_16716

Type: Plasmid

Proper Citation

RRID:Addgene_16716

Plasmid Information

URL: <http://www.addgene.org/16716>

Proper Citation: RRID:Addgene_16716

Insert Name: dnPKA

Organism: Mus musculus

Bacterial Resistance: Ampicillin

Defining Citation: [PMID:8812120](#)

Vector Backbone Description: Backbone Size:4100; Vector Backbone:CS2+; Vector Types:Xenopus Expression; Bacterial Resistance:Ampicillin

Comments: Insert: dominant negative Protein Kinase A-bright green fluorescent protein fusion protein. To make sense RNA, for expression, cut with Not1 and transcribe with SP6. Plasmid History: Constructed by Anne Ungar in 1996. Citation: Ungar and Moon (1996) Developmental Biology 178:186-191.

Plasmid Name: M7 pdnPKA-GFP

Relevant Mutation: Dominant negative. Mutations at cAMP binding sites.

Record Creation Time: 20220422T221940+0000

Record Last Update: 20260815T080941+0000

Ratings and Alerts

No rating or validation information has been found for M7 pdnPKA-GFP.

No alerts have been found for M7 pdnPKA-GFP.

Data and Source Information
