Jag1-HA pIRES

RRID:Addgene_17336

Type: Plasmid

Proper Citation

RRID:Addgene_17336

Plasmid Information

URL: <http://www.addgene.org/17336>

Proper Citation: RRID:Addgene_17336

Insert Name: Jagged1

Organism: Rattus norvegicus

Bacterial Resistance: Ampicillin

Defining Citation: [PMID:18077452](#)

Vector Backbone Description: Backbone Marker:BD Biosciences; Backbone Size:6100; Vector Backbone:pIRES; Vector Types:Mammalian Expression; Bacterial Resistance:Ampicillin

Comments: The backbone of this plasmid appears to be approximately 600bp smaller than is reported. The depositing scientist is aware of this difference and reports that the plasmid functions as it should.

Plasmid Name: Jag1-HA pIRES

Relevant Mutation: A silent C->G mutation at 3237

Record Creation Time: 20220422T222004+0000

Record Last Update: 20260815T081031+0000

Ratings and Alerts

No rating or validation information has been found for Jag1-HA pIRES.

No alerts have been found for Jag1-HA pIRES.

Data and Source Information
