pMSCV-Flag-cMyc T58A

RRID:Addgene_20075

Type: Plasmid

Proper Citation

RRID:Addgene_20075

Plasmid Information

URL: <http://www.addgene.org/20075>

Proper Citation: RRID:Addgene_20075

Insert Name: cMyc

Organism: Homo sapiens

Bacterial Resistance: Ampicillin

Defining Citation: [PMID:18931654](#)

Vector Backbone Description: Backbone Marker:Clontech; Backbone Size:5111; Vector Backbone:pMSCV; Vector Types:Mammalian Expression, Retroviral; Bacterial Resistance:Ampicillin

Comments: Puro resistance cassette was removed by cutting pMSCVpuro with EcoRI and ClaI and religating. EcoRI site was maintained in the vector.

Plasmid Name: pMSCV-Flag-cMyc T58A

Relevant Mutation: T58A

Record Creation Time: 20220422T222049+0000

Record Last Update: 20260815T081151+0000

Ratings and Alerts

No rating or validation information has been found for pMSCV-Flag-cMyc T58A.

No alerts have been found for pMSCV-Flag-cMyc T58A.

Data and Source Information

Usage and Citation Metrics

We found 9 mentions in open access literature.

Listed below are recent publications. The full list is available at [RRID](#) .
