pSMT3-M

RRID:Addgene_26589

Type: Plasmid

Proper Citation

RRID:Addgene_26589

Plasmid Information

URL: <http://www.addgene.org/26589>

Proper Citation: RRID:Addgene_26589

Insert Name: n/a

Bacterial Resistance: Hygromycin

Defining Citation: [PMID:20352111](#)

Vector Backbone Description: Backbone Size:5708; Vector Backbone:pSMT3; Vector Types:Shuttle vector for mycobacteria; Bacterial Resistance:Hygromycin

Comments: Creation and characterisation of a high-copy-number version of the pAL5000 mycobacterial replicon. Tuberculosis (Edinb) 87: 481–488. There are known discrepancies between the Addgene QC sequence and the depositor's full sequence--these are likely due to how the full sequence was assembled and should not affect function.

Plasmid Name: pSMT3-M

Record Creation Time: 20220422T222119+0000

Record Last Update: 20260815T081254+0000

Ratings and Alerts

No rating or validation information has been found for pSMT3-M.

No alerts have been found for pSMT3-M.
