MSCV-N EBNA1

RRID:Addgene_37954

Type: Plasmid

Proper Citation

RRID:Addgene_37954

Plasmid Information

URL: <http://www.addgene.org/37954>

Proper Citation: RRID:Addgene_37954

Insert Name: EBNA1

Organism: H. Herpesvirus 4 (EBV)

Bacterial Resistance: Ampicillin

Defining Citation: [PMID:22810586](#)

Vector Backbone Description: Backbone Size:8162; Vector Backbone:MSCV-N FLAGHA; Vector Types:Mammalian Expression, Retroviral; Bacterial Resistance:Ampicillin

Comments: Note that the Gateway cloning reaction has left several vector-based nucleotides in frame with the 3' end of the insert, leaving additional amino acid residues [PTFLYKVVVR] fused to the C-terminus of translated protein.

Plasmid Name: MSCV-N EBNA1

Record Creation Time: 20220422T222200+0000

Record Last Update: 20260815T081418+0000

Ratings and Alerts

No rating or validation information has been found for MSCV-N EBNA1.

No alerts have been found for MSCV-N EBNA1.

Data and Source Information
