

Resource Summary Report

Generated by [RRID](#) on Aug 21, 2026

NLS pEGFP-N3 (1299)

RRID:Addgene_62043

Type: Plasmid

Proper Citation

RRID:Addgene_62043

Plasmid Information

URL: <http://www.addgene.org/62043>

Proper Citation: RRID:Addgene_62043

Insert Name: SV40 NLS

Organism: Homo sapiens

Bacterial Resistance: Kanamycin

Defining Citation: [PMID:23414781](#)

Vector Backbone Description: Backbone Marker:Clontech; Vector Backbone:pEGFP-N3; Vector Types:Mammalian Expression; Bacterial Resistance:Kanamycin

Plasmid Name: NLS pEGFP-N3 (1299)

Record Creation Time: 20220422T222355+0000

Record Last Update: 20260815T081748+0000

Ratings and Alerts

No rating or validation information has been found for NLS pEGFP-N3 (1299).

No alerts have been found for NLS pEGFP-N3 (1299).

Data and Source Information

Source: [Addgene](#)

Usage and Citation Metrics

We found 7 mentions in open access literature.

Listed below are recent publications. The full list is available at [RRID](#) .

Jeon Y, et al. (2024) RNA-mediated double-strand break repair by end-joining mechanisms. *Nature communications*, 15(1), 7935.

Kitzinger R, et al. (2022) Nuclear RAC1 is a modulator of the doxorubicin-induced DNA damage response. *Biochimica et biophysica acta. Molecular cell research*, 1869(10), 119320.

Bustos Plonka F, et al. (2022) Sec3 exocyst component knockdown inhibits axonal formation and cortical neuronal migration during brain cortex development. *Journal of neurochemistry*, 160(2), 203.
