[pSFV-Helper1](#)

RRID:Addgene_92073

Type: Plasmid

Proper Citation

RRID:Addgene_92073

Plasmid Information

URL: <http://www.addgene.org/92073>

Proper Citation: RRID:Addgene_92073

Insert Name: cDNA of SFV genome with deletion removing the nonstructural SFV proteins and also the viral RNA packaging signal.

Bacterial Resistance: Ampicillin

Defining Citation: [PMID:1370252](#)

Vector Backbone Description: Backbone Size:2833; Vector Backbone:pGEM1; Vector Types:Helper plasmid, for run-off transcription and RNA transfection of mammalian cells; Bacterial Resistance:Ampicillin

Comments: Provides wild type structural Semliki forest virus proteins for packaging of recombinant RNA genomes into virus like particles. Deposited for prof. Henrik Garoff.

Plasmid Name: pSFV-Helper1

Record Creation Time: 20220422T222623+0000

Record Last Update: 20260902T050524+0000

Ratings and Alerts

No rating or validation information has been found for pSFV-Helper1.

No alerts have been found for pSFV-Helper1.
