M-PKD2 (OF2-3)

RRID:Addgene_21370

Type: Plasmid

Proper Citation

RRID:Addgene_21370

Plasmid Information

URL: <http://www.addgene.org/21370>

Proper Citation: RRID:Addgene_21370

Insert Name: autosomal dominant polycystic kidney disease type II

Organism: Homo sapiens

Bacterial Resistance: Ampicillin

Defining Citation: [PMID:11140688](#)

Vector Backbone Description: Backbone Size:4352; Vector Backbone:pCS2+MT;
Vector Types:Mammalian Expression; Bacterial Resistance:Ampicillin

Comments: *Note that this construct has a rare SNP (rs1131408) at position 4:88967820 that results in a missense change (G449V). The polymorphism is not known to affect function.

Plasmid Name: M-PKD2 (OF2-3)

Relevant Mutation: wild-type*

Record Creation Time: 20220422T222055+0000

Record Last Update: 20260829T080204+0000

Ratings and Alerts

No rating or validation information has been found for M-PKD2 (OF2-3).

No alerts have been found for M-PKD2 (OF2-3).

Data and Source Information
