pBAD-mNectarine

RRID:Addgene_21717

Type: Plasmid

Proper Citation

RRID:Addgene_21717

Plasmid Information

URL: <http://www.addgene.org/21717>

Proper Citation: RRID:Addgene_21717

Insert Name: mNectarine fluorescent proteins

Organism: evolved fluorescent protein

Bacterial Resistance: Ampicillin

Defining Citation: [PMID:19494110](#)

Vector Backbone Description: Backbone Marker:Invitrogen; Backbone Size:4100; Vector Backbone:pBad/His B; Vector Types:Bacterial Expression; Bacterial Resistance:Ampicillin

Plasmid Name: pBAD-mNectarine

Relevant Mutation: The fluorescent protein was inserted between XhoI and EcoR1 of pBad/His B. There is an extra 'C' after XhoI to avoid the frameshift.

Record Creation Time: 20220422T222056+0000

Record Last Update: 20260829T080204+0000

Ratings and Alerts

No rating or validation information has been found for pBAD-mNectarine.

No alerts have been found for pBAD-mNectarine.

Data and Source Information
