[pCSDest2](#)

RRID:Addgene_22424

Type: Plasmid

Proper Citation

RRID:Addgene_22424

Plasmid Information

URL: <http://www.addgene.org/22424>

Proper Citation: RRID:Addgene_22424

Bacterial Resistance: Chloramphenicol and Ampicillin

Defining Citation: [PMID:17948311](#)

Vector Backbone Description: Backbone Size:5800; Vector Backbone:pCS2+; Vector Types:Gateway Cloning; Bacterial Resistance:Chloramphenicol and Ampicillin

Comments: pCSDest was digested with PstI and XhoI to remove the attR2 site and was replaced with an attR3 site from pDEST4-R3

Plasmid Name: pCSDest2

Record Creation Time: 20220422T222059+0000

Record Last Update: 20260829T080212+0000

Ratings and Alerts

No rating or validation information has been found for pCSDest2.

No alerts have been found for pCSDest2.

Data and Source Information

Source: [Addgene](#)

Usage and Citation Metrics

We found 7 mentions in open access literature.

Listed below are recent publications. The full list is available at [RRID](#) .

Pahima M, et al. (2025) Clonal analysis reveals differential PGC contributions to the early germline and ovarian reserve. bioRxiv : the preprint server for biology.

Grepper D, et al. (2024) BCL2L13 at endoplasmic reticulum-mitochondria contact sites regulates calcium homeostasis to maintain skeletal muscle function. iScience, 27(8), 110510.

Shin M, et al. (2023) Generation and application of endogenously floxed alleles for cell-specific knockout in zebrafish. Developmental cell, 58(22), 2614.

Rae J, et al. (2021) A robust method for particulate detection of a genetic tag for 3D electron microscopy. eLife, 10.
