CD4d3+4-bio

RRID:Addgene_32402

Type: Plasmid

Proper Citation

RRID:Addgene_32402

Plasmid Information

URL: <http://www.addgene.org/32402>

Proper Citation: RRID:Addgene_32402

Bacterial Resistance: Ampicillin

Defining Citation: [PMID:18296487](#)

Vector Backbone Description: Backbone Marker:Mark Bushell; Backbone Size:6000; Vector Backbone:pEMCS; Vector Types:Mammalian Expression; Bacterial Resistance:Ampicillin

Comments: Please note that Addgene's sequencing result found a 60 nucleotide insert between bp#750/751 when compared to the full plasmid sequence provided by the depositing scientist. The depositing scientist confirmed that Addgene's sequence is correct--the insertion is located downstream of the CD4 bio coding sequence and is not a concern for protein expression.

Plasmid Name: CD4d3+4-bio

Record Creation Time: 20220422T222140+0000

Record Last Update: 20260815T081341+0000

Ratings and Alerts

No rating or validation information has been found for CD4d3+4-bio.

No alerts have been found for CD4d3+4-bio.
