pE-FLP

RRID:Addgene_45978

Type: Plasmid

Proper Citation

RRID:Addgene_45978

Plasmid Information

URL: <http://www.addgene.org/45978>

Proper Citation: RRID:Addgene_45978

Insert Name: flp

Bacterial Resistance: Ampicillin

Defining Citation: [PMID:24050148](#)

Vector Backbone Description: Vector Backbone:pKD46; Vector Types:Bacterial Expression, Synthetic Biology; Bacterial Resistance:Ampicillin

Comments: Can be used to remove the integration module (including the antibiotic resistance cassette) from pOSIP integrants. Reference: St-Pierre F, Cui L et al., "One-step cloning and chromosomal integration of DNA", ACS Synthetic Biology, <http://pubs.acs.org/doi/abs/10.1021/sb400021j>

Plasmid Name: pE-FLP

Relevant Mutation: flp driven by the constitutive promoter pE from phage P2

Record Creation Time: 20220422T222237+0000

Record Last Update: 20260815T081528+0000

Ratings and Alerts

No rating or validation information has been found for pE-FLP.

No alerts have been found for pE-FLP.

Data and Source Information

Usage and Citation Metrics

We found 15 mentions in open access literature.

Listed below are recent publications. The full list is available at [RRID](#) .
