[mRFP1-N1](#)

RRID:Addgene_54635

Type: Plasmid

Proper Citation

RRID:Addgene_54635

Plasmid Information

URL: <http://www.addgene.org/54635>

Proper Citation: RRID:Addgene_54635

Bacterial Resistance: Kanamycin

Defining Citation: [PMID:12060735](#)

Vector Backbone Description: Backbone Size:4750; Vector Backbone:mRFP1-N1;
Vector Types:Mammalian Expression; Bacterial Resistance:Kanamycin

Comments: . Excitation = 584; Emission = 607

Plasmid Name: mRFP1-N1

Record Creation Time: 20220422T222319+0000

Record Last Update: 20260815T081642+0000

Ratings and Alerts

No rating or validation information has been found for mRFP1-N1.

No alerts have been found for mRFP1-N1.

Data and Source Information

Source: [Addgene](#)

Usage and Citation Metrics

We found 11 mentions in open access literature.

Listed below are recent publications. The full list is available at [RRID](#) .

Terglane J, et al. (2025) Chemigenetic Ca²⁺ indicators report elevated Ca²⁺ levels in endothelial Weibel-Palade bodies. PloS one, 20(1), e0316854.

Li J, et al. (2025) Neurotensin inhibits AMPK activity and concurrently enhances FABP1 expression in small intestinal epithelial cells associated with obesity and aging. Experimental & molecular medicine, 57(6), 1189.
