pUPRT::DHFR-D

RRID:Addgene_58528

Type: Plasmid

Proper Citation

RRID:Addgene_58528

Plasmid Information

URL: <http://www.addgene.org/58528>

Proper Citation: RRID:Addgene_58528

Insert Name: DHFR cassette

Organism: T. gondii

Bacterial Resistance: Ampicillin

Defining Citation: [PMID:24825012](#)

Vector Backbone Description: Backbone Marker:Invitrogen; Backbone Size:4555; Vector Backbone:pDEST R4-R3 Vector II; Vector Types:Gateway Cloning; Bacterial Resistance:Ampicillin

Plasmid Name: pUPRT::DHFR-D

Relevant Mutation: pyrimethamine resistant

Record Creation Time: 20220422T222339+0000

Record Last Update: 20260815T081717+0000

Ratings and Alerts

No rating or validation information has been found for pUPRT::DHFR-D.

No alerts have been found for pUPRT::DHFR-D.

Data and Source Information

Source: [Addgene](#)

Usage and Citation Metrics

We found 11 mentions in open access literature.

Listed below are recent publications. The full list is available at [RRID](#) .

Geng XL, et al. (2025) Proline dehydrogenase, a rate-limiting catabolic enzyme, affecting the growth and pathogenicity of *Toxoplasma gondii* tachyzoites by regulating the proline metabolism and mitochondrial function of the parasite. *Parasites & vectors*, 18(1), 309.

Zhang X, et al. (2025) BFD2 mediates inflammation, apoptosis, and pre-anxiety-like behaviors induced by acute *Toxoplasma gondii* infection. *PLoS neglected tropical diseases*, 19(9), e0013428.

Bitew MA, et al. (2024) Two *Toxoplasma gondii* putative pore-forming proteins, GRA47 and GRA72, influence small molecule permeability of the parasitophorous vacuole. *mBio*, 15(3), e0308123.

Bitew MA, et al. (2023) GRA47 and GRA72 are *Toxoplasma gondii* pore-forming proteins that influence small molecule permeability of the parasitophorous vacuole. *bioRxiv : the preprint server for biology*.
