pCRII_TOPO_hNEAT1

RRID:Addgene_61518

Type: Plasmid

Proper Citation

RRID:Addgene_61518

Plasmid Information

URL: <http://www.addgene.org/61518>

Proper Citation: RRID:Addgene_61518

Insert Name: NEAT1

Organism: Homo sapiens

Bacterial Resistance: Ampicillin and Kanamycin

Defining Citation: [PMID:19217333](#)

Vector Backbone Description: Backbone Marker:Life Technologies; Backbone Size:4000; Vector Backbone:PCRII; Vector Types:general cloning vector; Bacterial Resistance:Ampicillin and Kanamycin

Comments: *To create this plasmid, hNEAT1 was amplified from HeLa cDNA. The insert contains two mismatches (C->T at bp 78, and A->G at bp 91, an A->G at bp 1666, and a deletion of TA at bp 2031 and 2032 using the numbering of NR_028272.1) compared to the canonical hNEAT1 sequence. These variants are likely to be encoded in the HeLa genome, as they appeared in multiple clones, but this is yet to be verified by sequencing of HeLa genomic DNA.

Plasmid Name: pCRII_TOPO_hNEAT1

Relevant Mutation: *see comment below

Record Creation Time: 20220422T222353+0000

Record Last Update: 20260815T081743+0000

Ratings and Alerts

No rating or validation information has been found for pCRII_TOPO_hNEAT1.

No alerts have been found for pCRII_TOPO_hNEAT1.
