Proper Citation: ECNP (RRID:SCR_000501)

Description: A pan-European scientific association to encourage research across the neurosciences and to translate new knowledge on fundamental disease mechanisms into new medicines and clinical applications. As an interdisciplinary forum for the science and treatment of disorders of the brain, they promote the communication and cross-fertilization of high-quality experimental and clinical research across the field of neuroscience. ECNP is a non-profit member-based association, independently governed and self-funded. ECNP is a public-interest-serving entity.

Abbreviations: ECNP

Synonyms: European College of Neuropsychopharmacology, ECNP - neuroscience applied

Resource Type: community building portal, data or information resource, portal

Keywords: brain, neuroscience, disease mechanism, medicine, clinical, disease

Related Condition: Brain disorder

Resource Name: ECNP

Resource ID: SCR_000501

Alternate IDs: nlx_158605

Record Creation Time: 20220129T080201+0000

Record Last Update: 20260804T043104+0000
