Qvalue

RRID:SCR_001073

Type: Tool

Proper Citation

Qvalue (RRID:SCR_001073)

Resource Information

URL: <http://www.bioconductor.org/packages/release/bioc/html/qvalue.html>

Proper Citation: Qvalue (RRID:SCR_001073)

Description: R package that takes a list of p-values resulting from the simultaneous testing of hypotheses and estimates their q-values. It is designed to measure the proportion of false positives when a test is significant. The software is capable of generating plots for visualization. It can be applied to problems in genomics, brain imaging, astrophysics, and data mining.

Resource Type: software application, software resource, data analysis software, data processing software

Keywords: p value, false positive, null hypothesis, genomics, brain imaging, astrophysics, data mining, r, visualization

Availability: Free, Available for download, Freely available

Resource Name: Qvalue

Resource ID: SCR_001073

Alternate IDs: OMICS_00624

Alternate URLs: <https://github.com/jdstorey/qvalue>

License: LGPL

Record Creation Time: 20220129T080205+0000

Record Last Update: 20260811T043121+0000

Ratings and Alerts

No rating or validation information has been found for Qvalue.

No alerts have been found for Qvalue.
