Type: Tool

Proper Citation

Hepatitis B Research Network (RRID:SCR_001531)

Resource Information

URL: <https://repository.niddk.nih.gov/network/110>

Proper Citation: Hepatitis B Research Network (RRID:SCR_001531)

Description: Network that brings together clinical centers with expertise in caring for patients with chronic hepatitis B virus (HBV) infection to conduct research in order to better understand the physiological effects of the disease and develop effective treatment strategies with the currently available therapies. The web site is designed to inform the public of the research activities conducted by the Hepatitis B Research Network. It is also a portal to support communications for their researchers and participants in their studies. The Hepatitis B Research Network is currently seeking patients for a multi-center prospective study of the natural history of chronic hepatitis B. Within the next few months treatment trials for various patients with chronic hepatitis B will also begin enrolling patients. Details of the entry criteria for these studies can be obtained from the clinical centers outlined on the website's map.

Abbreviations: HBRN

Resource Type: portal, disease-related portal, topical portal, clinical trial, data or information resource

Keywords: liver, complication, cancer, cirrhosis, treatment, prevention, clinical

Related Condition: Chronic hepatitis B virus infection, Hepatitis B virus

Availability: Free, Freely available

Resource Name: Hepatitis B Research Network

Resource ID: SCR_001531

Alternate IDs: nlx_152834

Alternate URLs: <http://www.hepbnet.org/>

Record Creation Time: 20220129T080208+0000

Record Last Update: 20260804T043125+0000
