**Proper Citation:** PDtrials- Parkinsons Disease Clinical Trials (RRID:SCR\_002027)

**Description:** THIS RESOURCE IS NO LONGER IN SERVICE, documented August 23, 2016. A collaborative initiative of Parkinson's organizations dedicated to increasing education and awareness about clinical research. PDtrials provides up-to-date information on Parkinson's disease trials currently enrolling participants in the U.S. and Canada, as well as information about Parkinson's studies for people living with PD, their families and caregivers. Researchers can list their own trials on the PDtrials website. Patients can browse trial listings by type, location, symptom, or keyword.

**Synonyms:** PDtrials

**Resource Type:** data or information resource, database, disease-related portal, portal, topical portal

**Keywords:** parkinson's disease, parkinson's disease clinical trial, pd, pd clinical trial, disease related portal, database, topical portal, patient care

**Related Condition:** Parkinson's disease
