# Greengenes

RRID:SCR\_002830 Type: Tool

**Proper Citation** 

Greengenes (RRID:SCR\_002830)

#### **Resource Information**

URL: http://greengenes.secondgenome.com/downloads

Proper Citation: Greengenes (RRID:SCR\_002830)

**Description:** Database that provides access to the current and comprehensive 16S rRNA gene sequence alignment for browsing, blasting, probing, and downloading. The data and tools can assist the researcher in choosing phylogenetically specific probes, interpreting microarray results, and aligning/annotating novel sequences. The 16S rRNA gene database provides chimera screening, standard alignment, and taxonomic classification using multiple published taxonomies. ARB users can use Greengenes to update local databases.

Resource Type: database, data or information resource

Defining Citation: PMID:16820507

**Keywords:** microbiome, rrna, 16s rrna, gene, dna, rna, chimera, alignment, taxonomic classification, taxonomy, FASEB list

Funding: Department of Energy contract DE-AC02-05CH11231

Availability: Open source

**Resource Name:** Greengenes

Resource ID: SCR\_002830

Alternate IDs: OMICS\_01512, nif-0000-02927

Alternate URLs: http://greengenes.lbl.gov

License: Creative Commons Attribution-ShareAlike License v3 Unported

Record Creation Time: 20220129T080215+0000

Record Last Update: 20250517T055552+0000

#### **Ratings and Alerts**

No rating or validation information has been found for Greengenes.

No alerts have been found for Greengenes.

### Data and Source Information

Source: SciCrunch Registry

### **Usage and Citation Metrics**

We found 2905 mentions in open access literature.

Listed below are recent publications. The full list is available at <u>RRID</u>.
