WEBMAXC STANDARD

RRID:SCR_003165

Type: Tool

Proper Citation

WEBMAXC STANDARD (RRID:SCR_003165)

Resource Information

URL: <http://www.stanford.edu/~cpatton/webmaxcS.htm>

Proper Citation: WEBMAXC STANDARD (RRID:SCR_003165)

Description: Data analysis service to calculate free and total metals and chelators, Kds, complexes, and ionic contribution. You can evaluate chelators by having a non-zero value for any chelators you wish to evaluate and at least one metal greater than zero. Kd's and ranges will appear at end. Only valid for metal-chelator combinations where there are constants.

Abbreviations: WEBMAXC STANDARD

Resource Type: analysis service resource, data analysis service, production service resource, service resource

Keywords: chelator, metal, javascript

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: WEBMAXC STANDARD

Resource ID: SCR_003165

Alternate IDs: nlx_156866

Record Creation Time: 20220129T080217+0000

Record Last Update: 20260905T133120+0000

Ratings and Alerts

No rating or validation information has been found for WEBMAXC STANDARD.

No alerts have been found for WEBMAXC STANDARD.
