Proper Citation: bioRxiv (RRID:SCR_003933)

Description: A free archive and distribution service for unpublished preprints in the life sciences allowing authors to make their findings immediately available to the scientific community and receive feedback on draft manuscripts before they are submitted to journals. An article may be posted prior to, or concurrently with, submission to a journal but should not be posted if it has already been published. Once an article is published in a journal, bioRxiv will update the preprint with a link to the published version.

Abbreviations: bioRxiv

Synonyms: bioRxiv - the preprint server for biology

Resource Type: portal, community building portal, database, data or information resource

Keywords: preprint, life science, bio.tools, FASEB list

Availability: Free, Acknowledgement requested, The community can contribute to this resource

Resource Name: bioRxiv

Resource ID: SCR_003933

Alternate IDs: nlx_158302, biotools:bioRxiv

Alternate URLs: <https://bio.tools/bioRxiv>
