Description: A nonprofit medical teaching and training school in Memphis, Tennessee qualified under section 501 (c) (3) of the Internal Revenue Code. The MERI conducts state-of-the-art, hands-on educational courses for physicians, nurses and other medical professionals from across the country and around the world. At the MERI, medical professionals are introduced to the latest innovations in medicine, and have the opportunity to learn first-hand about the most up-to-date medical techniques and technologies. The MERI supports research in all specialties by providing the sponsor with the most effective environment for achieving maximal outcomes for their studies. Through our Mobile MERI unit, we are proud to provide courses and support to our sponsors off-site anywhere in the continental United States. Our dedicated course specialists offer customer service, provide safe and efficient transport of equipment and ensure a quality training and educational experience at the off-site location.
