Description: Allograft Innovations was formed in 2006 to facilitate quality biologic grafts for surgery. We are committed to providing quality tissue to enhance patients' health, mobility and quality of life nationwide and across the globe. Our goal is to provide the safest, most clinically effective allografts available. The health of tissue recipients is top priority to us, and we take every possible step to ensure safety and integrity during all processes. Allograft Innovations partners with federally designated OPO's (Organ Procurement Organization), as well as Tissue recovery agencies that comply with all 21 CFR 1270 and 1271 FDA Standards, and have achieved AATB accreditation.
