Proper Citation: qiqqa (RRID:SCR_004440)

Description: Qiqqa is a free reference management tool that provides all the tools you need to manage your documents and notes effectively, visualize your ideas, and find insights you would have missed otherwise. Engineered by academics, its mission is to make your research life easier. Qiqqa allows users to annotate PDF's, assign tags, share documents and offers cloud storage for a nominal fee. We help academics, researchers, and professionals manage all their PDFs and get more out of them, with our award winning Qiqqa software. * PDF management, OCR, reading, annotation * Unique tools to understand and discover * Cloud sync, cite, and much much more * Free. Trusted by academia and industry for all five stages of the knowledge lifecycle. Add all your papers, and it helps you do all the rest, quicker. # Organize # Discover # Review and Understand # Collaborate # Create
