NEXTDB

RRID:SCR_004480

Type: Tool

Proper Citation

NEXTDB (RRID:SCR_004480)

Resource Information

URL: <http://nematode.lab.nig.ac.jp/>

Proper Citation: NEXTDB (RRID:SCR_004480)

Description: Expression pattern map of the 100Mb genome of the nematode *Caenorhabditis elegans* through EST analysis and systematic whole mount in situ hybridization. NEXTDB is the database to integrate all information from their expression pattern project and to make the data available to the scientific community. Information available in the current version is as follows: * Map: Visual expression of the relationships among the cosmids, predicted genes and the cDNA clones. * Image: In situ hybridization images that are arranged by their developmental stages. * Sequence: Tag sequences of the cDNA clones are available. * Homology: Results of BLASTX search are available. Users of the data presented on our web pages should not publish the information without our permission and appropriate acknowledgment. Methods are available for: * In situ hybridization on whole mount embryos of *C.elegans* * Protocols for large scale in situ hybridization on *C.elegans* larvae

Abbreviations: NextDB

Synonyms: Nematode Expression Pattern DataBase

Resource Type: production service resource, data analysis service, service resource, database, atlas, analysis service resource, expression atlas, data or information resource

Keywords: rnai phenotype, homology, blast, fasta, chromosome map, cosmid, gene, cDNA clone, genome, in situ hybridization, expressed sequence tag, developmental stage, sequence, embryonic *Caenorhabditis elegans*, chromosome, phenotype, blastx, clone, sequence tag, yac, predicted gene, protein, development, larval *Caenorhabditis elegans*, image collection, experimental protocol, FASEB list

Funding: Core Research for Evolutional Science and Technology ;
Japan Science and Technology Corporation ;
Japanese Ministry of Education Culture Sports Science and Technology MEXT

Availability: Permission required, Acknowledgement required

Resource Name: NEXTDB

Resource ID: SCR_004480

Alternate IDs: nlx_46406

Record Creation Time: 20220129T080224+0000

Record Last Update: 20260804T043240+0000

Ratings and Alerts

No rating or validation information has been found for NEXTDB.

No alerts have been found for NEXTDB.
